Maths	69%	19%	74%
% of children meeting the expected level in reading, writing and maths	69%		62%
Science	75%		82%

We are very proud of our pupil's achievements this year. This cohort was only made up from 16 pupils so each pupil is the same as 6% as opposed to 3% in an average class size of 30 pupils. All pupils made excellent progress across the year and were secondary ready. Congratulations to them all for all they achieved with us here at St Joseph's.
