

Sports Funding 2017-2018

In 2017-2018 we plan to allocate our funding to:

- Improve participation in after school clubs, so raising fitness levels, co-ordination and confidence in the children.
- Clubs voted for in the Autumn term are: Multi-sports for Key stage one, Football for Key stage two and cooking for both key stages. The school will also provide Tag rugby and Defence Lab,
- Enhance the opportunities for children to participate in competitive sports. Funding will be used to purchase more equipment to prepare children and enhance their skills.
- Competitions entered this year include;

Kst 1 Football

Netball and Football kst2

Catholic athletics

Multiskills kst 1

Dance Festival Kst 2 Classes

- Further improve the quality of PE provision within the school through the purchasing of more PE and Playground equipment
- Enhance the development of healthy and active lifestyles in children and their families through education using the "Anomaly" resources.

This will be done by:

Employing coaches for two lunchtimes a week to lead play activities on one of the playgrounds. Lunchtime supervisors will be trained to continue these activities throughout the week.

Promoting cycling through Bikeability in the summer term

Year 4 level 1

Year 6 level 2

Running healthy cooking club with families and children

Running a gardening club growing vegetables in the school grounds
