

ST JOSEPHS CATHOLIC PRIMARY SCHOOL STRATEGIC SPORTS PREMIUM PLAN 2018-2019

Summary Information

School	St Joseph's Catholic Primary School	Number of pupils	133
--------	-------------------------------------	------------------	-----

Key achievements to date:

Areas for further improvement and baseline evidence of need:

Academic Year	2018-2019	Total sport Premium budget	£17,000 this is an estimate after speaking to County - £16k + £10/eligible child (not reception) 9384 for paces clubs/cpd 2470 already spent on Sports Plus, trips/equipment	Date of most recent internal review	July 2019
---------------	-----------	----------------------------	--	-------------------------------------	-----------

High profile sporting events for all children Wide range of tournaments, specialist coaching and sporting opportunities Improved communication with parents and children on all aspects of healthy living	CPD for all staff Development of school grounds with running track Further embed daily fit fifteen initiative
--	--

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 meters when they left your primary school at the end of last academic year?	76%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	76%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	76%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes– we provide extra opportunities for children to further develop their water confidence and swimming skills.

PLANNED EXPENDITURE

Academic Year 2018-2019		Total Fund allocated £15,046	Date updated	
1. Pupils are engaged in regular physical activity				Percentage of total allocation
				6%
School focus /impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To ensure that every child has even more opportunities and increased motivation to undertake daily activity.	The aim of fit fifteen is to improve the physical, social, emotional and mental health and wellbeing of our children – regardless of age, ability or personal circumstances. Meadow to be prepared as sports field by June 2019 to enable the school to provide a wider range of sporting activities throughout the year	£1000	Research has shown that daily exercise can even increase attainment in primary school.	Funding to prepare the school meadow and paint an athletics track. Our whole school approach to physical fitness and mental health and wellbeing will ensure that this initiative becomes a sustainable and long term provision for all pupils.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement				Percentage of total allocation
				48%
School focus /impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Specialist coaching: Higher profile of sport for our children to have access to specialist coaching in a number of	To provide a variety of extra sports clubs delivered by suitably qualified specialist coaches.	£4692	Due to the very positive feedback from the children and staff	The P.E. lead will continue to observe the children's enjoyment of these extra-curricular sports clubs and activities, as

different sports during extracurricular clubs and activities.			about the football sports provision last academic year, the school has decided to use this coaches company to provide a range of after school clubs across the year.	well as monitoring improvements to the children's P.E. assessments
Healthy eating and lifestyle information is shared daily with parents and children	The Anomaly board is regularly updated with health information and guidance. To advertise sporting fixtures and participation in competitive events. To encourage and promote a healthy lifestyle including healthy eating. To engage children in activities	£3,492	Parents and children are kept informed of all healthy lifestyle choices	We will monitor parental and pupil feedback (questionnaires), on how this is improving communication between home and school and how it is influencing their lifestyle choices.

3. There is increased confidence, knowledge and skills of all staff in the teaching of PE and sport				Percentage of total allocation
				31%
School focus /impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
High quality CPD To ensure that teaching staff are appropriately qualified to consistently provide high quality P.E. lessons and other P.E. related opportunities. To provide quality resources and equipment in order to deliver high quality teaching to all children across the school.	To provide opportunities for staff who are going to be teaching a specific skill/sport to access the relevant training, or courses necessary in order to deliver that skill/sport successfully. To replace old sports equipment and replace with new, specifically for use within P. E. and Games lessons.	£4692 £600	Staff have identified areas of PE that they would like further development in to improve their own knowledge and skills Children gain more enjoyment and perform to a higher ability if they are given modern specialist equipment to use with P.E. and Games lessons. This	By selecting the relevant training opportunities which are provided by recognised P.E. professional providers. Ensuring all staff benefit from the CPD and then have opportunities to apply new skills. We will continue to replace old equipment with more modern, up to date P.E. equipment on a rolling basis, as and when equipment is

			should not only help to ensure children's safety and wellbeing, by using equipment that is safe to use, but also help give them a realistic introduction and insight into a variety of different sports.	identified by the P.E. lead (at the end of each school year) as being in need of replacement.
4. There is a broader experience of a range of sports and activities offered to all pupils 5. There is an increased participation in competitive sport				Percentage of total allocation
				4%
School focus /impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To give as many children as possible throughout the school, opportunity to participate in as wide a variety as possible of different interschool sporting events and competitions.	To provide transport to and from these various different sporting events during school time, as well as outside of the normal school day in order to allow as many children as possible throughout the school the opportunity to take part in them.	£600	It is widely accepted that children who regularly take part in physical exercise are fitter and healthier as a direct result of playing sport. Therefore, as we want our children to grow up with a fit and healthy mind-set we will continue with our policy of trying to give as many children as possible throughout the school the opportunity to participate in as wide a variety as possible of different inter-school sporting events and competitions.	The P.E. lead will continue to ensure that the School continues to take part in high quality events. These are organised by reputable providers, such as the Catholic Cluster, Dyson Perrins High School, Worcestershire Games Cluster and our new CPD company Paces. The school will also keep a record of all the children who take part in these events.

REVIEW OF EXPENDITURE

Previous academic Year 2018-2019				
Desired outcome	Chosen action / approach	Estimated impact: Did you meet the success criteria?	Lessons learned (and whether you will continue with this approach)	Cost
Specialist coaching: Higher profile of sport for our children to have access to specialist coaching in a number of different sports during extracurricular clubs and activities.	To provide a variety of extra sports clubs delivered by suitably qualified specialist coaches.	Clubs have been very well attended and had a raised number of pupil premium children attending. Some clubs were oversubscribed with waiting lists.	It has been so successful that we will continue this next year. With pupil voice (school council) deciding the range of sports on offer, eg. The children have asked for dodgeball next year. The lunchtime club targeted PP and under confident children and this has been a real success.	£4692
Healthy eating and lifestyle information is shared daily with parents and children	The Anomaly board is regularly updated with health information and guidance. To advertise sporting fixtures and participation in competitive events. To encourage and promote a healthy lifestyle including healthy eating. To engage children in activities	Parents have reported positively seeing images of their children engaged in PE and improved communication about school initiatives, such as healthy eating and children's general wellbeing.	We are tied into contract until 2020. We will continue to use it to further improve communication until that time.	£3,492
To provide quality resources and equipment in order to deliver high quality teaching to all children across the school.	To replace old sports equipment and replace with new, specifically for use within P. E. and Games lessons.	New equipment has enabled children to participate in more team sports and further stimulated interest in sporting activities at lunch times.	Yes we will continue to replenish that wear out on an annual basis. We will reorder play equipment as needed and kept in attractive conditions for children to use. Buying playground pal tabs has raised the profile of the children and has led to a more effective lead of play.	£600

To give as many children as possible throughout the school, opportunity to participate in as wide a variety as possible of different interschool sporting events and competitions.	To provide transport to and from these various different sporting events during school time, as well as outside of the normal school day in order to allow as many children as possible throughout the school the opportunity to take part in them.	An increased attendance at interschool sporting events has raised the profile of PE across the school, specifically KS2.	Yes we will continue, with a view of looking into how we can extend opportunities for KS1 as well.	£600
High quality CPD To ensure that teaching staff are appropriately qualified to consistently provide high quality P.E. lessons and other P.E. related opportunities.	To provide opportunities for staff who are going to be teaching a specific skill/sport to access the relevant training, or courses necessary in order to deliver that skill/sport successfully.	Staff reported increased confidence in teaching PE. Lessons observed by PE lead evidence high levels of child engagement	To continue with staff identifying other areas of PE they would like CPD in	£4692
