

Sports Funding 2016-2017

In 2016-2017 we plan to allocate our funding to:

- Improve participation in after school clubs, so raising fitness levels, co-ordination and confidence in the children.
- Enhance the opportunities for children to participate in competitive sports. Funding will be used to purchase more equipment to prepare children and enhance their skills.
- Competitions entered this year include;

Kst 1 Football

Netball and Football kst2

Catholic athletics

Multiskills kst 1

Dance Festival Kst 2 Classes

- Further improve the quality of PE provision within the school through continued professional development of staff, the purchasing of more PE and Playground equipment
- Enhance the development of healthy and active lifestyles in children

This will be done by:

Employing coaches for three lunchtimes a week to lead play activities on one of the playgrounds

Promoting cycling through Bikeability in the summer term

Year 4 level 1 Taken by 6 children and all passed

Year 6 level Taken by 10 children all of whom achieved the award.

Running healthy cooking club with families and children

Running a gardening club growing vegetables in the school grounds

Participation in After School Clubs 2016-17

(*PP denotes Pupil Premium children)
